FRIDAY, OCTOBER 24, 7:45PM (AFTER ISHA)
MASJID AL-MUSTAFA, 2345 HARRIS WAY, SAN JOSE

With the massive popularity of the “four horsemen” of the New Atheism movement, Hitchens, Dawkins, Harris, and Dennett, many believers, including Muslims, are starting to question whether a god actually exists. And if He does, who is He? Join Zaytuna Lecturer **Ustadh Ali Ataie** (MA, PhD candidate) as he explores three classical arguments for the existence of God from a Muslim perspective as well as an analysis of the claims of the New Atheists. **Followed by an extensive Q&A session.**
