What is Cub Scouting

Cub Scouting is dedicated to a rewarding experience with activities that capture the interest of boys yet are fun for the entire family, including siblings. Our Cub Scouts learn essential skills and enjoyment of outdoor activities, community involvement, personal safety, sports, arts & crafts and the environment.

Scouting is fun with a purpose, and the purpose is to raise boys who respect themselves and others, and who have strong character.

How the Cub Scouts are organized

All of the boys are organized into dens of similar grade level. Dens are a great way to make and stay in touch with friends. Boys may join at any grade. Dens meet throughout the month at South Bay Islamic Association (Harris rd) where the boys do activities that apply to the requirements in their books.

- (graduating Kindergarteners can join too!)
- 1st- graders are in Tiger Cubs
- 2nd- graders are in Wolf Cubs
- 3rd- graders are in Bear Cubs
- 4th & 5th - graders are in Webelos

These different dens are gathered together into a Pack. The Pack meets held once a month at SBIA, and feature skits, games, award recognition, and other fun activities.
